RE: MEETING NOTICE

The House Study Committee on Regional Transit Solutions will meet on Thursday, September 1, 2016 at 10:00 a.m. in Room 406 CLOB. Please contact our office if you are interested in speaking at the meeting. *The agenda is subject to change at the Chair's discretion.*

Agenda

The purpose of this meeting is to receive public testimony regarding any proposal for improving transit options in the metro Atlanta area. This will be an open and wide-ranging opportunity to present ideas regarding infrastructure, governance, funding, technologies, and industry. The discussion should be tailored to metro transit issues, as to avoid getting bogged down in broader transportation concerns, such as air and sea ports, regional passenger rail, freight, or other issues tangential to metro transit.
